Council has scheduled a Basement Clean Out Day for *Saturday, June 6, 8:30 am – noon*. We want to invite you to help, especially if you have documents or things stored in the basement and you want to make sure that your things are (or are not) thrown away. We know that we have 30-40 boxes of documents that need to be shredded and several grills and other junk items that need to be cleaned out. We have arranged for the documents to be picked up on Monday, June 8 and shredded. Monday also starts the neighborhood bulk item trash pickup and we are planning to put the large items on the curb for pickup.

Please see a Council member if you have questions or can help.
