95 Days of Summer Fun Kick-Off!

Today is the day you have been waiting for! It's the official kick-off for our **95 Days of Summer Fun!** You have not experienced fun until you have experienced this!

We will gather after worship in the fellowship hall for a potluck feast! Isn't your mouth already watering at the thought of fried chicken, ham biscuits, and scrumptious desserts that our Epiphany community bakes!

We will of course enjoy some great food, a little bit of music, a bit of acquainting ourselves with one another and our new staff person, Ashley, and unpack our **Summer Fun Plan** so you always know what's going on right now and what's coming up next!

You will **NOT** want to miss this event! It's for all ages- from birth-102. If you are on Twitter, follow us **@epiphanyws #95daysofsummerfun**. Check there often along with the Epiphany Facebook Page and follow links to the Epiphany Instagram page if that's your preference. Also, everything will be laid out nicely on our website. www.epiphanyws.org

We are looking very forward to a great day on Sunday and an amazing Summer!

Summer Worship Notes

During the summer months, you may find that your life moves at a slightly different pace; our worship life will move into a different rhythm during summer as well. As we enter fully into the long green season of Pentecost, or Ordinary time, we will be using Setting Eight. This is a setting that we have used during previous summers. A few other things are shifting about our worship this summer as well. We are bringing back the Procession, so as the crucifer enters the sanctuary, please turn and face the cross. Our acolytes have been recently re-freshed in their training and have the important job of leading us as the people of God in worship. The gathered community always follows the cross; the acolytes carry that cross into our midst, and it is around the cross that we as the people of God gather.

Also, announcements are shifting to a little bit later in the service, right before the Children's Sermon. We have a natural pause in our liturgy here before we turn our attention toward hearing God's Word, and this will also give us an opportunity to note anything special that might be happening during our worship or during the upcoming week.

This will be a wonderful summer with faithful and engaging worship, and other opportunities to grow in our faith and deepen our relationships with each other and God.

Looking forward to seeing you here this summer!
