New Electronic Giving Cards in the Pews

The symbolic act of giving is an important part of church services for many people. The stewardship team has now made available a visible way for electronic givers to demonstrate

stewardship during the offering at each service. Each pew pocket includes a laminated giving card entitled "I give electronically" that can be placed in the offering plate by electronic givers. The cards will be returned to the pews each Sunday for reuse. If you are interested in electronic giving or have questions, please call the church office or contact a member of the stewardship committee - Dan Meckley, Emily Phillips, Connie Queen or Deni Thrasher.
