WE NEED YOUR HELP!

The Discipleship Committee would like to invite the youth - of all ages, their parents, past and present Sunday School teachers and any other interested congregation members to a discussion about our current youth Sunday School on Sunday, May 1st right after worship in the Fellowship Hall.

We are looking for information about what works, what doesn't and suggestions you may have for the committee and the new Sunday School Coordinator, Emily Phillips as we work to provide a structure that will fill the needs of our youth education the best.

A light lunch will be provided. Please RSVP to the church office (765-6211) by 4/27/16. Any questions can be directed to Deni Thrasher.

Thanks.

New Electronic Giving Cards in the Pews

The symbolic act of giving is an important part of church services for many people. The stewardship team has now made available a visible way for electronic givers to demonstrate

stewardship during the offering at each service. Each pew pocket includes a laminated giving card entitled "I give electronically" that can be placed in the offering plate by electronic givers. The cards will be returned to the pews each Sunday for reuse. If you are interested in electronic giving or have questions, please call the church office or contact a member of the stewardship committee - Dan Meckley, Emily Phillips, Connie Queen or Deni Thrasher.

It has come to my attention that I may have misspoken during my sermon this past Sunday. I went back and checked my notes where I had written "Boredom is a choice." What evidently came out of my mouth was "Depression is a choice." I sincerely regret if this was communicated to the congregation. I am well aware that depression is NOT a choice. Please accept my apologies if I inadvertently gave the wrong impression.
