The next interim forum is IMAGINING POSSIBLE FUTURES, April 23 after worship. This will include a fun way of imagining what Epiphany and the surrounding community may look like in five years. What are the needs and opportunities that will face us and which will shape what God is calling us to do? We'll see what "rises to the top" and compare it with our current mission statement. There will be a light lunch (donations welcome) and childcare. We'll adjourn by 1:30pm.

The church office will be closed on Monday, April 17th.

If you would like your college-age child to receive an exam kit this spring, please email or call the church office with your child's address, even if you contacted the office during the fall semester. Deadline is April 23rd.
