## Congregational Meeting

The HVAC system that cools and heats the office areas at church has failed and requires replacement. We are prepared to schedule the installation; however, due

to the amount of this expenditure, an approval vote is needed from the congregation. **We will be conducting a special congregational meeting for this purpose on Sunday, July 30th, immediately after the brunch that follows the worship service.** (Note that the systems in the Sanctuary, Narthex, Fellowship Hall and EECC are still operating.) Please plan to attend this meeting as you are able.

### Where Have All the Adults Gone?

VBS is for adults too! Get ready for a week off from making dinner and come to Epiphany's Super Hero Central VBS. Marc Shideler will be leading a rousing adult course and he doesn't want to teach himself. So, get those adult registrations in. They can be downloaded from Epiphany's website or picked up at church from the VBS bulletin boards (in the fellowship hall and across from the children's library.) VBS starts this evening at 5:30 and runs through Thursday, July 27. If you can't make every night that is fine. Just indicate what you can do on your registration form. See you at VBS!
