Rental Properties Team

At the annual congregation meeting in January we noted that a ministry team would be formed to develop a plan for management and/or disposition of our two rental properties. The team has been formed, and is beginning their work. Members of the team are *Dan Brock, Schuyler Darstein, Karl Florian, Kathy Knecht, and Scott Lichtenhan*. The charge to the team is to develop a comprehensive plan for the ongoing management and/or disposition of the two rental properties which has the support of all team members, is forward looking, and has each of its recommendations grounded in the ministry and mission of Epiphany.

As their work progresses, the team will provide updates on their work, and will be requesting input from the congregation. We ask for your prayers and your support for them.

The Women of the ELCA want to thank the congregation for their over-whelming response to our request for food for Crisis Control. This time of year and during the summer are slow times for food drives but not for food needs. Thank you for your generous donations of non-perishable foods that have been delivered to Crisis Control (345 pounds).

EECC News

EECC is participating in the **Crisis Control Ministry Cereal Drive** from Monday, March 5 through Friday, March 23. Please share any kind of breakfast cereals, from corn flakes to oatmeal, as you are able. Crisis Control Ministry will distribute the food to children and families in need. A collection box is provided outside Lisa's office. Thank you in advance for helping those less fortunate.
