## Sharing God's Abundance

We have much to celebrate and look forward to. As of December 26, 112 Statements of Intent have been returned, totaling \$498,560. At approximately the same time last year we had 101 statements totaling \$385,409. That's a difference of \$113,151!!!! Because we have responded so generously to what God has already given us, we will be able to do remarkable things in 2019. Thanks to each and everyone of us and let us continue to "praise God from whom all blessings flow."
